

Q1. 2011 Revenue Time Series

We can clearly see the October/November ramp-up.
Strategy: Inventory must be peaked by September.

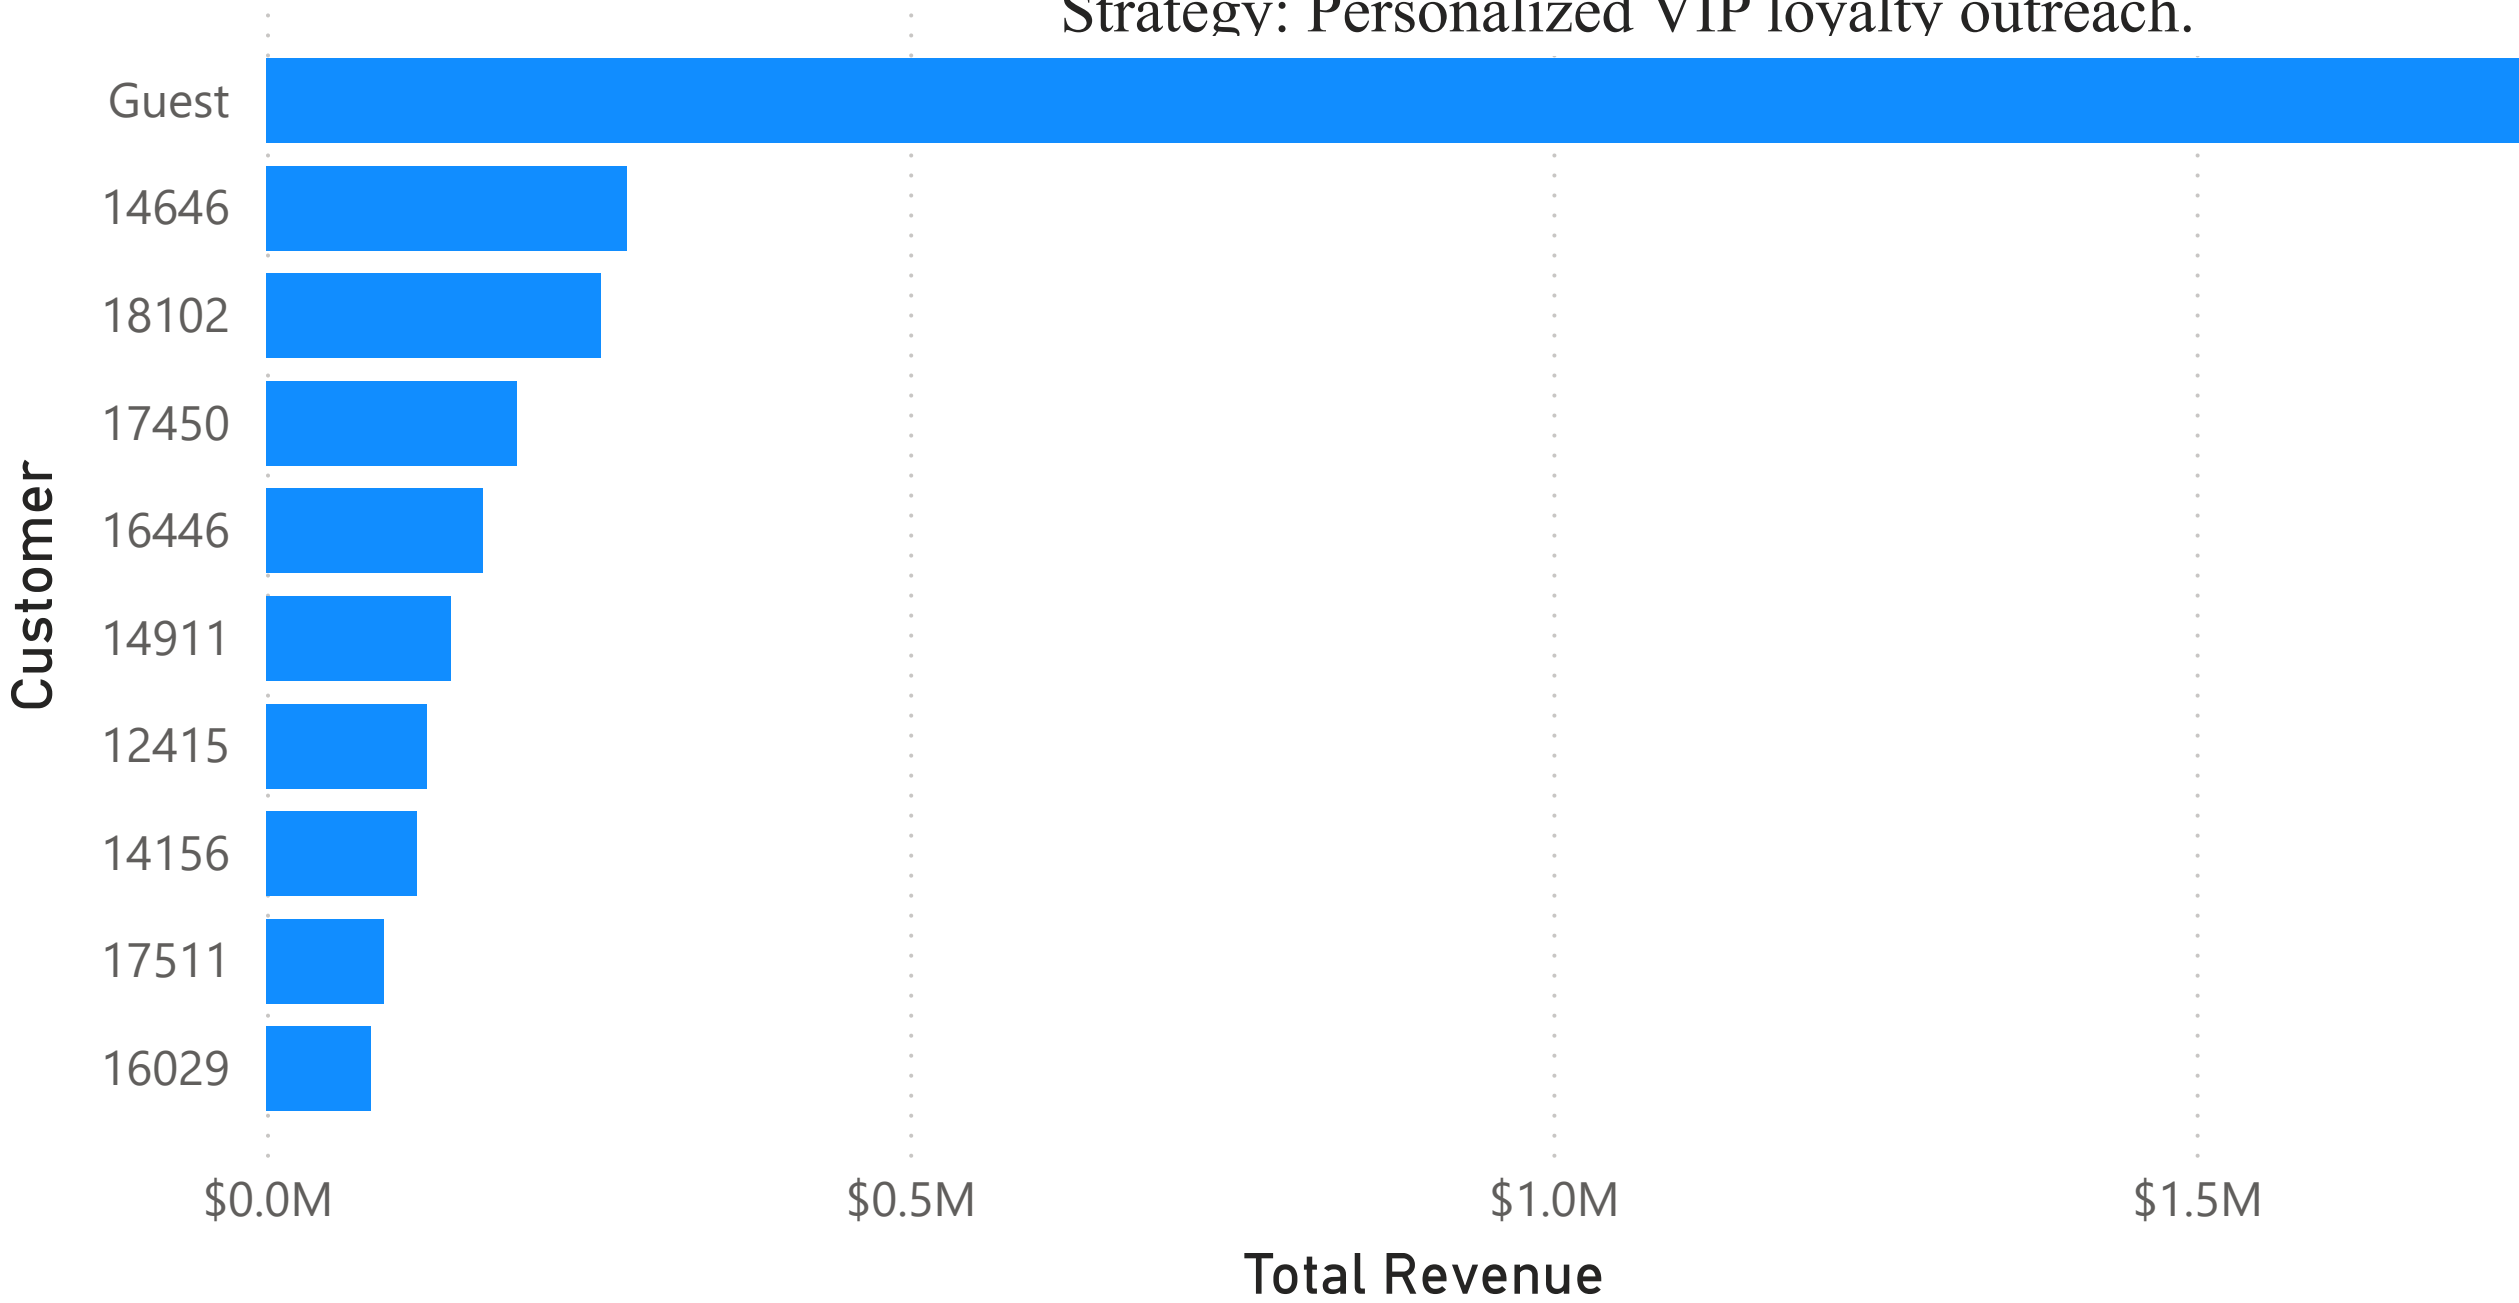

Q2. Top 10 Countries

Netherlands and **EIRE** are our strongest secondary markets. Strategy: Potential for a Northern European hub.

Q3. Top 10 Declining Customers

The "Whale" (Guest) and the subsequent 9 are identified.
Strategy: Personalized VIP loyalty outreach.

Q4. The Expansion Map

Clear demand clusters in Central Europe and Australia.
Strategy: Initiate local language marketing for
